

# Directory of Sex Worker-Friendly Therapists

Welcome to the NUM directory  
of sex work-friendly therapists.

This list of therapists, drawn  
from all parts of the UK, is an  
exciting new development in  
our programme to support the  
mental health of sex workers.

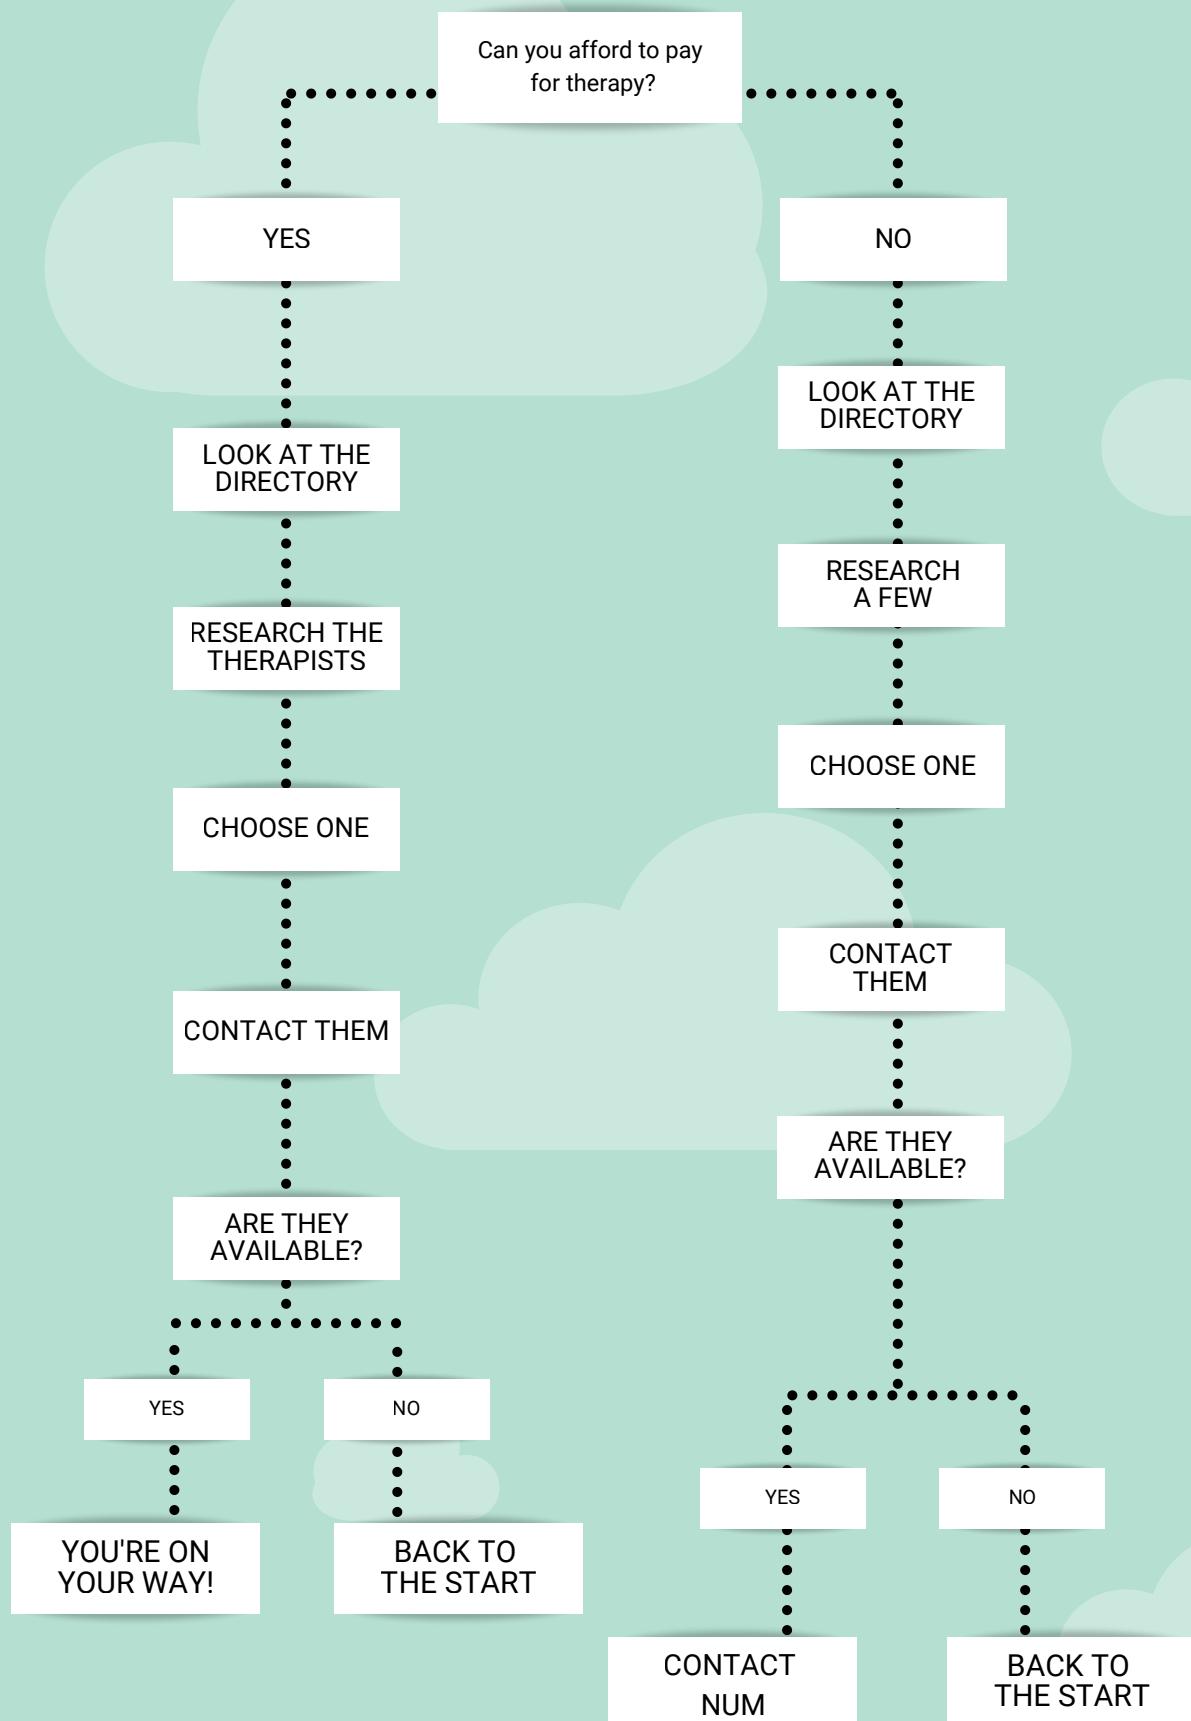

Over time, we intend to expand  
and modify the directory, to  
allow sex workers access to  
the very best of appropriate  
support.

# How to Use this Booklet

We wanted to make the task of finding a therapist less overwhelming and emotionally taxing on sex workers. Please explore the directory in your own way. We haven't vetted everybody on it thoroughly but all therapists on the directory have made the following declarations to us: -

*"I support the following statement:*

*NUM supports a decriminalisation model as a means to advance the health, safety and human rights of sex workers. I believe that sex workers are entitled to the following: the right to self-determination; the right to live free from violence; the right to live free from intimidation, coercion or exploitation; the right to work as safely as possible; and the right to police protection.*

*I support the Core Values that underpin NUM's service delivery, namely integrity, inclusion, compassion and contribution."*

The lists are categorised by "Online Only" and "In Person Sessions Available." You can also use the following key to learn more about each therapist on the list:

 Qualified to provide pre-trial therapy

 3 sessions available via NUM Package

 6 sessions available via NUM Package

Those marked with a number symbol ( 3 6 ) on the directory have agreed to provide “NUM Packages”. These comprise a course of 3 sessions or 6 sessions, which are being funded by NUM, but which are free to you. If you would like to take advantage of one of these packages, please get in touch with NUM’s Support Services at [caserwork@nationaluglymugs.org](mailto:caserwork@nationaluglymugs.org). Let us know which therapist you would like to talk to.

Please note that these packages are subject to the availability of the therapist.

We will be updating and developing things regularly, so please do check back. We would also appreciate and encourage your feedback and suggestions. You can send your feedback to:

**[MentalHealthSupport@nationaluglymugs.org](mailto:MentalHealthSupport@nationaluglymugs.org)**

## Additional Resources

*Laura at Reconnect Counselling is offering a limited number of affordable, long-term therapy sessions specifically for people in the sex industry. Priced at just £25, these sessions provide a safe and confidential space to explore your challenges with a therapist who has specialised training and experience working with sex workers.*
